ARRIVE EARLY

Spa prepping is an important part of your experience. This will relax your mind and prepare your body to receive the therapeutic benefits of your ritual. We recommend that you arrive at least 30 minutes prior to your scheduled appointment time in order to enjoy our luxurious facilities including Steam bath, Indoor swimming pool and Sauna.

SHOWER

A quick shower just before your treatment ritual is recommended. This will ensure your skin is refreshed and ready to absorb the nourishing ingredients that will be used during our treatment.

WHAT TO WEAR

Unless the ritual description specifies otherwise, it is customary to arrive as it is convenient to you. We will supply you with towels for your use while in the wet areas, as well as a robe for you to wear while resting at our Lounge area. During your treatment ritual, an under garment will be given to you for your own use. Throughout the time you are under the care of your therapist, your body will be draped with linen for your privacy.

COMMUNICATE

Although you have filled out our Health Questionnaire, prior to beginning your treatment, feel free to discuss with your therapist any areas you would like to focus on, or to be avoided. We encourage you to let the therapist know if you feel any discomfort during your treatment ritual. Communication is the key to ensure your spa experience is unforgettable. Keep in mind that bodywork and massage is similar to the effects of exercise in which toxins are freed from the lymphatic system and lactic acid is released from the muscles which may cause some soreness for a day or two after your visit.

RELAX

Close your eyes, breath deeply
and let your soul free....
Indulge your Body,
Relax your mind,
Ignite your Spirit...
